This permit is a flat fee that helps defray our cost, and is not calculated by the sqft or cost of construction. It gives us a chance to inspect the space and correct any hazardous conditions that might have developed. It also allows us to issue an occupancy certificate should the tenant need it.

The "day rates" last year were created for facilities that have capacity. In the past these areas are not rented during the day The new "Day rates" apply only during the school year and do not include school vacation weeks or summer vacations. Normal rental rates apply during school vacation weeks and summer vacations.
